This Day's Thought

In comparison with this big world, the human heart is only a small thing. Though the world is so large, it is utterly unable to satisfy this tiny heart. The ever-growing soul and its capacity can be satisfied only in the infinite God. As water is restless until it reaches its level, so the soul has no peace until it rests in God. Sundar Singh

**What the
sunshine is to
the flower, the
Lord Jesus
Christ is to my
soul.**

Alfred Tennyson
